Normally, Juniors at GHS are celebrating something, whether it's not having to go to seminar, finally being an upperclassman, completing their last ITEDS, or attending their first prom. But the junior class also has a lot of stress, including enrolling in AP classes, going to college visits, and taking the ACT.

1. Kyle Grudle long jumped at the Ram Relays. 2. Adam Recker and RJ Mitchell attempted to catch an egg during physics, while Sara Schoening observed. 3. Danni Finn, Sarah Homan, and Sara Gutschenritter celebrated a touchdown during the whiteout football game. 4. Austin Nutting, Josh Saddler, Jon Van Scoy, and Ross VanSlyke supported Wyatt Schulz during his basketball game. 5. Kristen Steele got her groove on during Mrs. Fholer's class. 6. Sami Woodrow and Hannah McCue posed together after being inducted into the National Honor Society. 7. Sami Hundt and Devan Meads cheered on the wrestlers during their matches.
