## 2019

Growing Together is a process, much like the creation of this book.

From the first day of kindergarten to high school graduation, each moment presents an opportunity to grow as individuals and also together as a class and community. Throughout these pages, the sense of together-ness will be remembered through photos, stories and quotes.

When it comes time to move the tassel and start a new chapter, students will always have these memories... together.

The senior girls were all smiles after receiving their scholarships. 8. Senior Drake Schonhorst was the recipient of the Jamie Coquyt Memorial Scholarship, named after former teacher and administrator at Ballard who passed away in Fall 2018. 9. Senior Celebrations also meant that seniors Thomas Cupples, Zachary Jeter, Zach Tully, Keigan Reynolds, Neal Wright (2018)

and Andrew Thompson could catch up with friends one more time before graduation. 10. Seniors Avery Kraling, Erin Rochleau and Taryn Hutson weren't surprised by the camera while looking at fellow senior displays. 11.
