More of the Wildcat Way

As the seconds of the school days zoom on, staff members share food and fun as do teachers Leah Arp and Allison Newman as they enjoy a fresh taco treat from National Honor Society while special education teacher Andrea McGauley uses creative talents with her students to decorate their room.

No matter the day

Whether staff dress up for special occasions or join casual spirit dress days, they do it the "Wildcat Way." Proudly, Vocal Director Ryan Riewerts announces king and queen candidates at the 2018 Homecoming Presentation Aud in the Big Gym. At the Veterans Day Parade, Gunnery Sargent Gregory Livingston visits with 2007 graduate Hailey Shappard to catch up on her military deployments. Then, math teacher Allie Stecklein and world Language teacher Karolyn Ingle stir up some trouble on Meme Day as the good Kermit and the bad Kermit.
