‘I love to draw for the people. Whether it’s a realistic, detailed drawing or a funny comic, I love to see their reactions.’

-Ven McGuire

“There is something about graffiti that is so empowering. Being able to turn something as blank as a wall into a piece of art is an amazing thing.”

-Antony Adolfson

stand-out junior artists

“I love art following the line of realism. Seeing a subject in a picture or before your own eyes coming to life through the work of art is breathtaking to me. It’s my way of expressing my individuality and creativity.”

-Jackson Neil

“There are many art styles people prefer, and it’s nice to see the differences between artists. Art means a lot to me, as I satisfy myself and others creating art.”

-Hy Yang
