# Colophon

The 121st volume of the Crimson and Blue yearbook was created by the Abraham Lincoln Yearbook Staff of 23 students during the 2018-2019 school year. It was printed by Jostens Printing Company in Visalia, California. The Jostens representative was Colleen Arneson. Our theme, "Lynx Greatness" is about the great activities that students get recognized for in our book. The end-sheets are process color snow white 280. Pages are printed on 100 matte paper.

Fonts used: **Foundation Sans EXT Comp**, **AYT Hudson**, AYT Goodname, **AYT Kurt**. "Lynx Greatness" was created on 24 Macs and students individual Google Chromebooks. Jostens Yeartech Online was used in the creation and design of pages. Portrait photos were taken and provided by Pyles Photography with the exception of senior photos.
