# COLOPHON

Gold is the 72nd edition of "The Dragon." Starting in the early months of 2018, ideas of what the 2018-2019 book's theme started to surface. The yearbook staff identified the importance of the color gold and its symbolization, thus gold was going to be our theme. The moment we first stepped into one of the five elementary schools, purple was the color that represented us the most. Gold was always the background color... unnoticed, disregarded, unseen. In this year's yearbook, gold is valued. It is seen in the mass of marching band members holding up their gold instruments. It is seen on the Summit pool lane lines, helping to separate the spirited swimmers. It is noticed in the hearts of the dancers and singers who take the stage. It is discovered in the eyes of the determined Science Olympiads. Gold is a part of us and has always been. This year's book recognizes all the different ways gold is distinct in our lives. It acknowledges the different ways we are all golden.

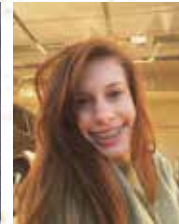

In order to create the book, we had the help of a lot of technology. The J Lab was lined with 31 Mac computers, which contained the CC version of InDesign and Photoshop. The computers helped us with our layout and photos seen on every page. To get all of our pictures that were on the pages, we used one Nikon D7000, D7100, D3500, and D750 with the lenses Tamron 18-270, Nikon 18-105, Nikon 18-55,

and two Nikon 70-200 2.8. Lifetouch studio took all of the mugshots. Our cover was a litho cover and the 212 pages of the book were made of 100-pound matte paper. This book sold 800 copies; each one sold for \$58, or \$62 with a fancy nameplate.

We would like to thank the entire staff for all of their hard work and dedication throughout the year. This book would have never been finished without you and your talents! Also, a special thank you to Ms. Shipp for supervising us and keeping us on the right track. Your dedication and advice make for an amazing advisor and none of us would be where we are at today without you. Another thank you to all of the businesses that purchased ads from us. The ads were sold in the fall and winter of 2018; \$325 for a yearbook spread and \$895 for an end sheet. Finally, a huge thank you goes to our Herff Jones advisor, Marc who gives the greatest advice and helps us reach our full potential. Without all of you, we would never have been able to create this book.

Our hard work and determination are on every page of this book. After many hours of writing stories, hunting down people for interviews, perfecting each layout, and learning different ways to set our book apart, we proudly present to you the 72nd edition of "The Dragon," Gold. Enjoy.
