

Spring

With 20 extra minutes added to the school day to make up for missed days, students encountered several more moments that **you had to be there for**.

You had to be there when athletes competed in the cold and rainy weather and students experienced a snowy Prom. In the spring play, Casey Weber (10) showed off his roach farm, and DelCo Best students made an impact by building raised garden beds. The moment that 106 seniors will never forget includes walking across the stage to receive their high school diplomas.

You just had to be there when the last bell rang on May 31, and the 2018-2019 school year came to an end.

Sydney Morris (11) competes in the long jump at the West Delaware Invitational track meet. Her longest jump was 15 feet and 5.25 inches.
