

# WINTER

in reality...

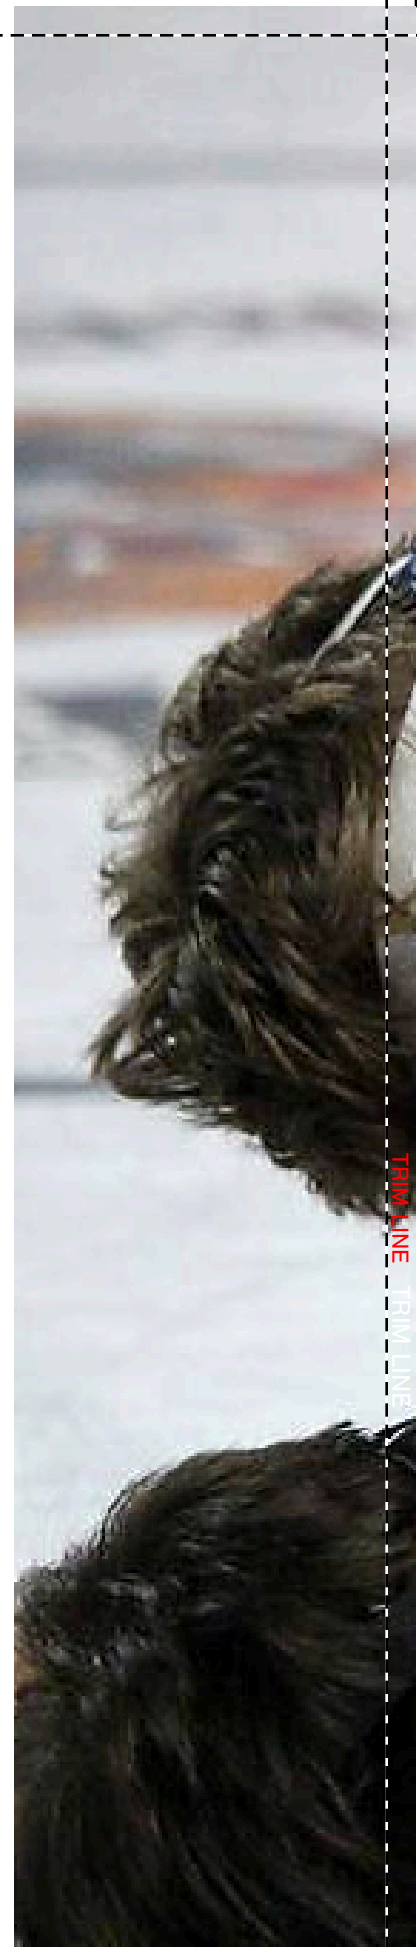

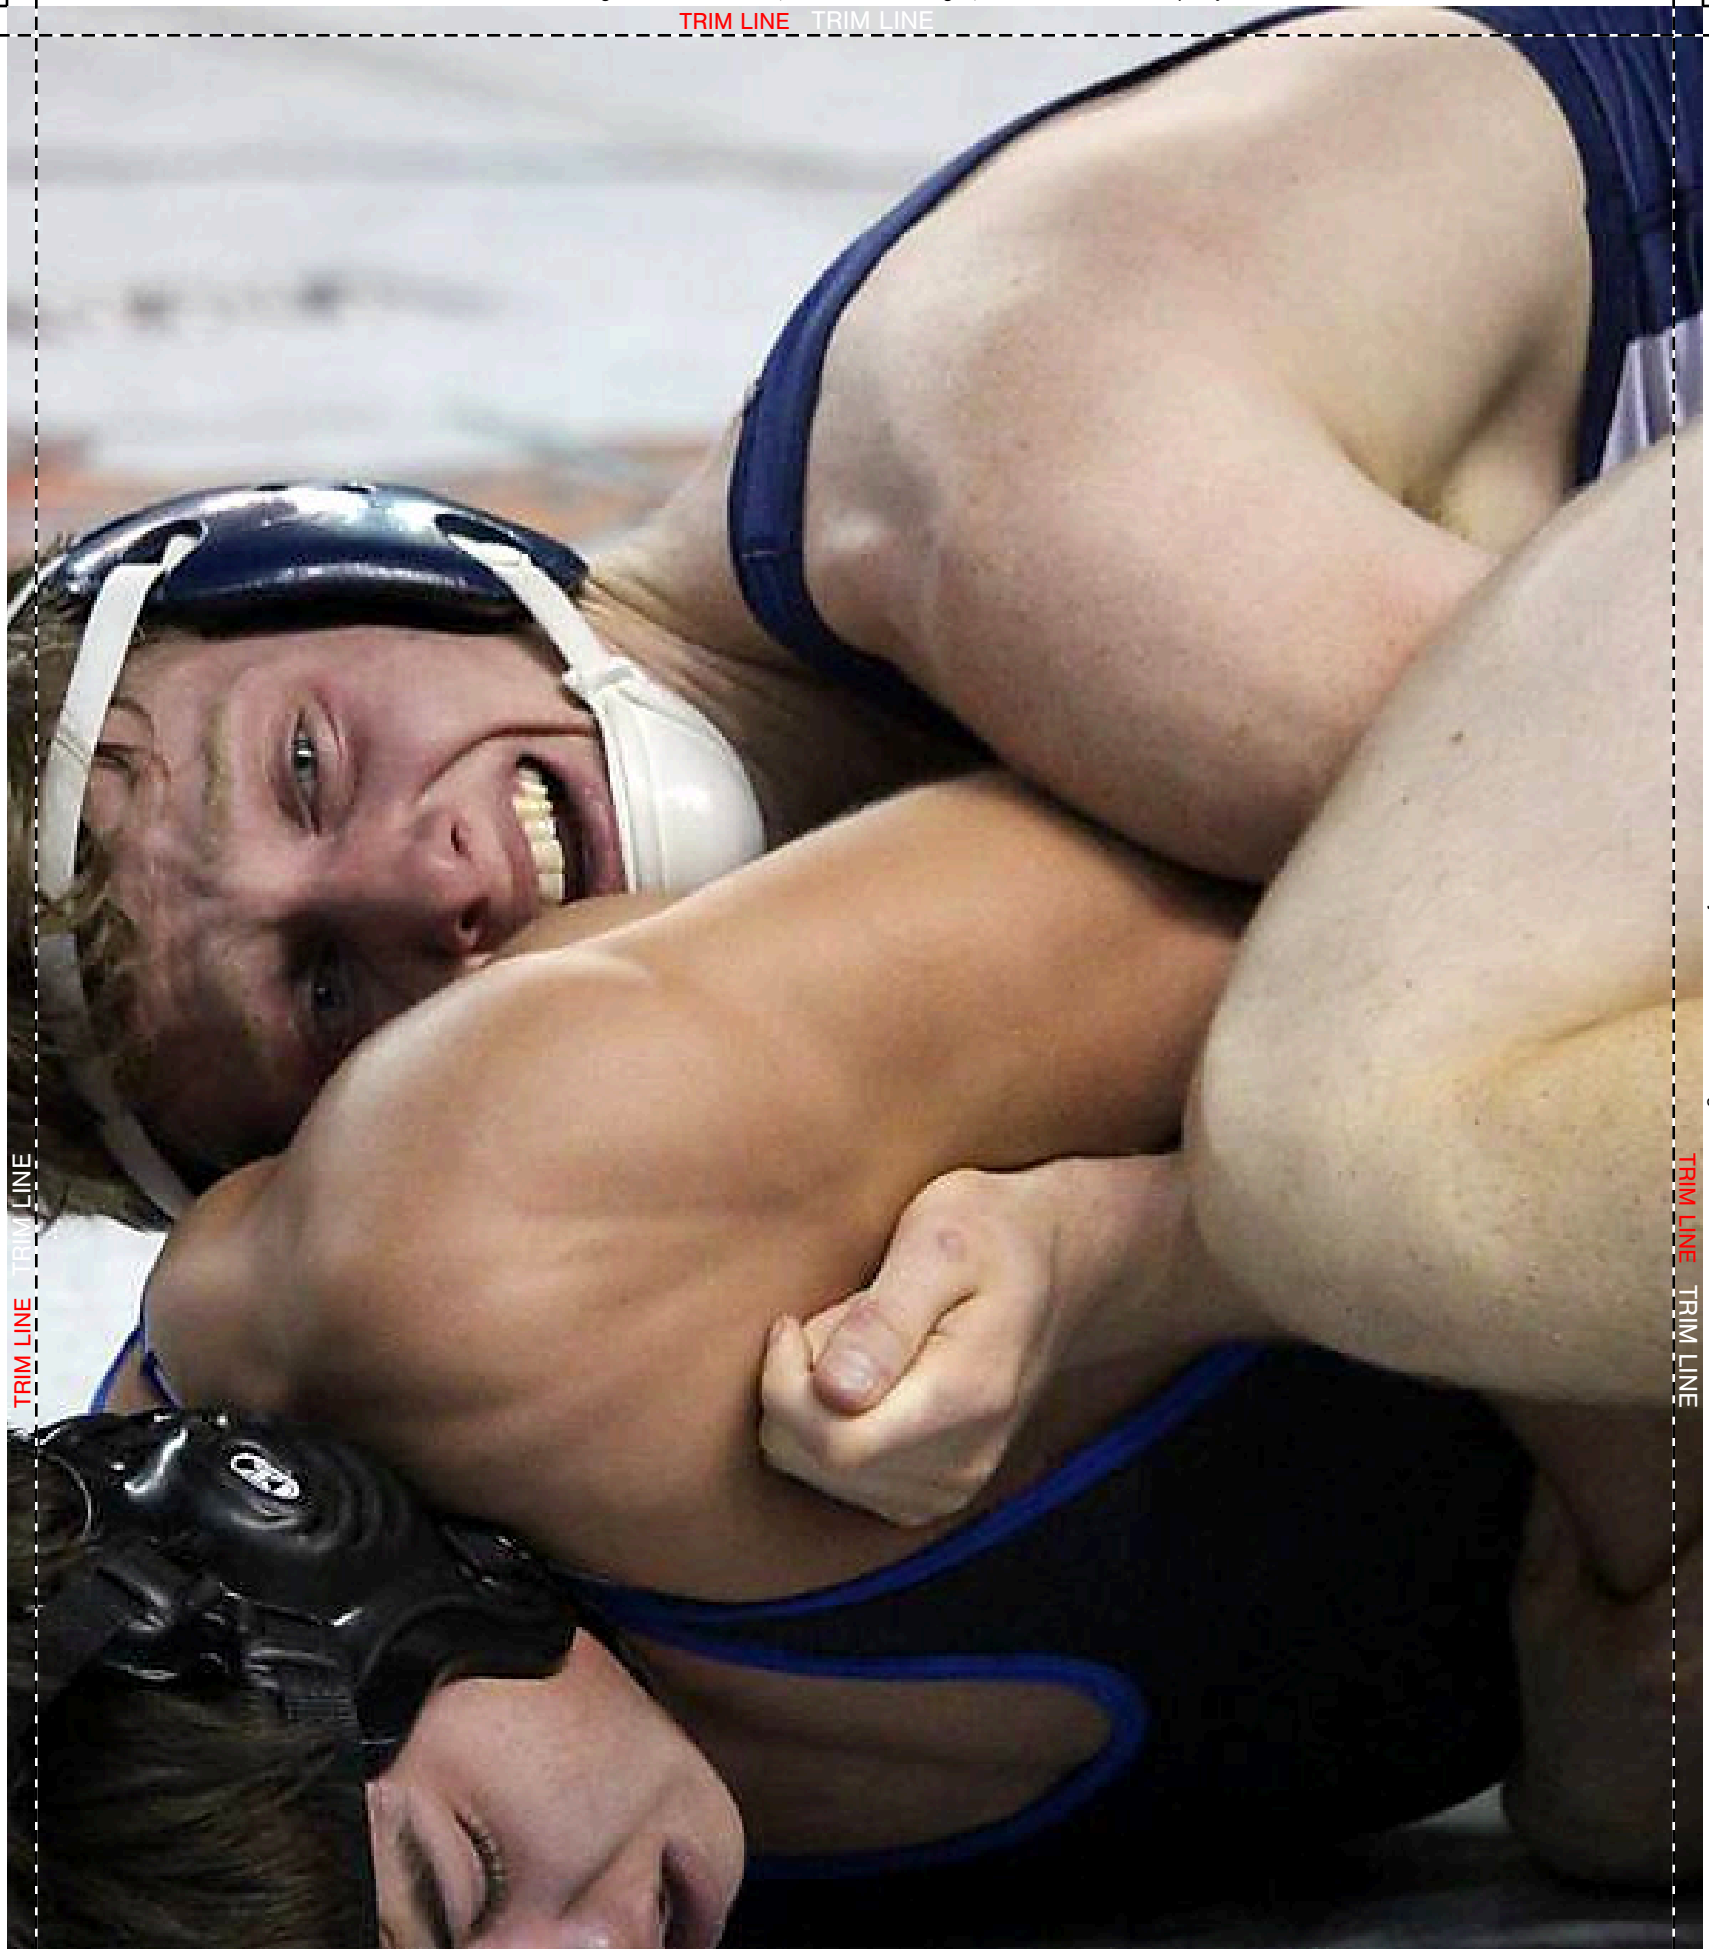

Winter at Lewis Central is full of lots of laughs and memories to say the least. The laughs and memories are filled with boys basketball, girls basketball, wrestling, boys swimming, bowling, special olympics, show choir, speech, and Snoball! There are both band and choir concerts during the winter season as well.

This season is the time to keep on the grind! With all the things going on, we tend to put all of our other smaller, but great accomplishments to the side. Starting with the art students and all the success they had during their art shows this 2018-19 season. Another success that isn't mentioned much is our All-State speech participants, we have so many - over two dozen! There were also seven All-State choir students.

Winter was kind of a heartbreaker for our sports teams. We didn't send any of our athletics to state this season and multiple seniors shot the ball for the last time or took on their last match in a Titan uniform. Looking back at the four long months of winter, we have much to be thankful for. The ability to develop our talents and passions, and the chance to sleep in during one of our six snow days this year. In reality, we are incredibly lucky.

"THAT'S THE MOST SNOW DAYS I'VE EVER SEEN IN A SCHOOL YEAR."
