Hija

We can't express how proud we are of the wonderful human being you have become and of what you have done thus far in your 18 years inside and outside of school. We are so excited to watch you soar in your next endeavor. Poppa said from day one you were destined for something special—we can't wait to see that happen! Remember, we are always with you!

Love you!

Padre (Grandma, Aunts Threse, Debbie, Annette) & Mom
