

from elementary grads... to high school grads

Riverdale Heights

What a sad, yet exciting time to see all of you moving on to the next chapter in your lives. This class is especially dear to me as I have had the opportunity to know so many of you since preschool and I've been able to watch you grow up and turn into the fine young men and women that you are today. I have enjoyed coaching many of you in baseball, basketball, flag football, math competitions, robotics, mousetrap cars and many of the other activities that you participated in. Those were some of the best times of my life and hopefully provided you with joy and lasting memories. I'm eager to see where life will take you and how you will make your impact on the world! Over your next few years, whether that is going through college or beginning your career, when you have struggles and things don't seem to be going well, and you'll have those moments, think about this advice from Walt Disney, "All the adversity I've had in my life, all my troubles and my obstacles, have strengthened me... You may not realize it when it happens, but a kick in the teeth may be the best thing in the world for you." And finally, also from Walt Disney, never forget, "It's kind of fun to do the impossible."
Enjoy your life and do the impossible. - Mr. Barber

Dear Seniors,

I am so happy to be writing in your yearbook! I wish you all the best in your future. Remember to persevere. Your hard work will be rewarded. Be kind to others and always be proud of who you are!

Love, Mrs. Sokolik

Congratulations, Class of 2019! I'm so proud to know this stellar class of Spartans is headed out to make the world a better place! I hope you have as many fond memories of sixth grade as I do of experiences like our time at Camp Wyoming, the field trip to The Putnam Museum, shared reading of great literature like *True Tales of Charlotte Doyle*, *Field Day*, *Studies of Ancient Civilizations...* and too many others to list. Best wishes on all of your endeavors, big and small.

To my 2012-2013 6th grade class,

You did it! Your hard work has paid off, and I know it wasn't all rainbows and roses! You didn't let it stop you! You believed in yourself as I have always believed in you! I am very proud of each and every one of you for not only your accomplishments, but also your attempts as you looked past the fear of defeat. Continue this journey with your head held high - live in the moment and learn from each experience - challenge yourself - be the best "YOU" you can be! I love you like my own! You will forever be one of "MY" kids.

With Love, Mrs. Schieffer

I am blessed from having worked with each of you. May you be people who continue to make a difference in this world! God bless you all.

Your teacher, Mr. Gauss

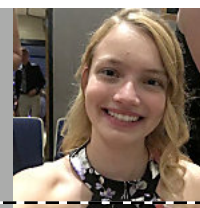

Dear Pleasant View Seniors,

I cannot believe you all are done with high school and moving on to the next phase of your lives as adults! Seems like just yesterday you were little 6th graders sitting in our classrooms wondering and worrying about transitioning to junior high. That was the easy stuff wasn't it? I want to wish you the best of luck as you journey on to whatever you have decided to do. Adulthood is filled with fun, adventure, and challenges. Embrace each challenge as a learning experience that you can carry with you and make sure to enjoy each day.

Hugs, Mrs. Reyes
