

Embarrassing Moments/Fails

David Weidner '20

“ The most embarrassing time I had was when I was at Fareway, I was literally trying to get something off the shelf, because I was stocking and literally tripped and fell off the ladder and knocked down so many supplies that I had to clean it all up, and my coworkers saw me. ”

“ My friend Devin and I were in like 8th grade, and I was texting on his phone because my phone was taken away, and we had to do this project. He grabbed my wrist and slammed it on the table, and the next day I came in with a wrap around my wrist and it was puffy, black, and blue and he had broken my wrist. ”
