Theodore Israel

North High School has many talented students, one of them is freshman, Theodore Israel. Israel is a part of a band called "The Hobo Squirrels" with two other people.

This all started back in 2016. According to their Instagram page, they are a "Indie Folk Punk band."

His biggest musical inspiration comes from a long love for a band. "The Front Bottoms, they've been my favorite band since 5th grade," he said.

Although the band is young, they have already accomplished so much, such as performed shows, done radio interviews, and recorded an EP.

North High School has been very supportive of him.

"I'd say North is very on top of it and a very good environment for it," he said.

Israel's biggest supporter is his mom. "My mom, definitely; they try to go to every show," he said.
