NEW TALENTS

NEW PROGRAM

Dedicated summer workouts, camps lead to surprising stunts, routines

With a season full of twists and turns, the Wildcat Cheerleading Team was able to soar past previous expectations, literally!

Two new coaches came in to the program to add some flare to an already-motivated team.

"This year the coaches worked together to create an amazing atmosphere where we were able to develop as a team. I loved it when the crowd was shocked by our new stunts and pyramids," said senior Chase Creviston.

For the first time, the team went to camp in Wisconsin Dells where they were able to push their limits and learn many new skills.

"When we walked into camp, we were a talented group, but we walked out a better team with new stunts, routines, and team cohesion" said senior Ashley Thompson.

Overall, the team made great strides that did not go unnoticed. At camp, they received Division 1 scores on three performances and two Spirit Awards.

A huge opportunity was awarded to junior Madison Mangels when she was offered a position on the All American team and invited to cheer in London's New Year's Day parade.

"I was honored and beyond excited to be chosen as an All American cheerleader. Although it was an experience that forced me to step out of my comfort zone, I am glad that I was able to meet so many other cheerleaders from all over the country and explore London with them," said Mangels.

All of the hard work, stress, and toe touches led to a very successful season for the Wildcats.

"Our team worked hard over the summer to prepare for camp and it paid off every time we stepped onto the floor. We have had some ups and downs this year, but we have pulled together in order to accomplish new things and become a better program," said head coach Lindsay Fox.
