favorite LYNX moment

"My favorite Lynx moments are the student skits every year for the Boom Night performance. Students always impersonate staff members, and we have some talented and funny students every year.

-Ms. Tanya Jensen

"One of the most memorable moments was in 2016 when WC played Pella in the class 3A championship game in football. My wife is from Pella, so there was a little trash talking on my part. Even though we lost the game, it was still a fun night."

-Mr. Matt Allers
