

# SENIORS

Senior Hannah Lederman is a multi talented student who is involved in a variety of activities and is constantly looking at ways to better herself. One of Hannah's main passions is dance which she pursues inside and outside of school. She has been dancing since the age of two and now trains at Nolte Academy in Iowa City everyday. Due to her dancing ability and Nolte Academy, she has had many new opportunities she never thought she would experience. Hannah was accepted into a highly competitive summer program at NYU Tisch School for the Arts to study dance. She was also invited to perform at New York Fashion Week and had the opportunity to spend two summers in New York dancing with the Radio City Rockettes. In addition to all of these opportunities, Hannah has been a best dancer finalist for the Dance Awards twice and has received many honors at regional and national dance competitions. In school, Hannah is a four-year varsity dancer for Platinum, Captain of the double state champion team this year, and placed second at the state solo competition. While dance is her main passion, Hannah is involved in so many more activities at school. She is Co-Editor of the Yearbook and is a two-time Best of SNO published writer. In the past, she was the Multimedia Manager and the Opinion Editor. Hannah was a member of Spartan Assembly for three years and has been a Spartan Ambassador since junior high. With all of these activities, Hannah has achieved academic excellence during all 4 years of high school. Outside of school, Hannah works at Atomic Coffee Bar and volunteers actively in the community. She is a volunteer at the Family Museum, was a 6th grade campout counselor, and has completed 100 hours at Genesis Hospital. In the future, Hannah plans on continuing her dance career by being on the prestigious Iowa Dance Team and is set to double major in public health and finance.
