The 2020 Bentonian staff published a 144-page book, Volume 54 and printed 240 copies with the theme "We Know." Our Jostens' representative was Kristy Stern, and the consultants were Louis Mazzei until January when Linda Strickland replaced him. The Monarch program through Jostens was used along with Adobe InDesign, Adobe Photoshop CS6, four Cannon cameras, seven Mac computers and two Mac laptops.

The book consisted of six colors to create six sections within the book: **R=255 G=237 B=0 - TR Yellow**, **R=0 G=168 B=157 - RA Lake**, **R=56 G=62 B=135 - SP Magic Moment**, **R=236 G=66 B=47 - SM Heat Wave**, **R=210 G=46 B=122 - SF Fuschia**, **R=141 G=129 B=175 - NU Parade**. Article headlines were **AYT Foundation Sans Bold** in 36-point font while sub headlines were AYT Cheltenham Light in 16-point font and the body of the articles were AYT Square Serif Book in 10-point font. Caption headlines consisted of AYT Square Serif Bold in 8-point font, and captions were done in AYT Square Serif Book in 8-point font.

Kathleen Goslinga, Keri Touro, Nichole Roos and yearbook staff took team and club pictures. Halverson Photography provided the majority of the composite photos for class pages besides senior pictures, which multiple photographers took of the seniors own choice. Because of COVID-19, yearbook staff also relied on parents and students at times for help, which had not happened in the past. Due to circumstances, the staff had no choice.

Staff worked on the book in class, open periods, study hall and free time until March 13. After that, five staff members continued to work on the book at home and fewer yet at the end to finish the book. At the start of the year, the book cost \$51 and increased \$5 four times to finish at \$71 in the fall.

The Bentonian staff has a membership to the Iowa High School Press Association, Journalism Education Association and the National Scholastic Press Association.
