# Soundtrack of summer

### IN CASE YOU MISSED IT

5th grader Ashlynn Moore and 6th grader Ashton Thompson enjoy listening to The Brazilian Twins play their ukuleles to well-known pop songs at Hudson Days. >> The varsity baseball team gathers around the coaches under a vivid summer sunset after playing their final game against Don Bosco.

### What song did you listen to most this summer?

"I listened to 'Old Town Road' this summer because it made me want to dance all the time."  
4th grader Kati Barber

"My favorite song this summer was 'Someone You Loved' because it reminded me of all my friends from school, and it brought back memories."  
8th grader Skyler Schirmer

"The song I listened to this summer was 'The Clemency Guise' because it has a unique song structure that is more intense."  
senior Orion Polendo

"Señorita' was my go-to summer song. I could not avoid it on the radio. It was in my head on repeat."  
junior Annalise Nehmer

"I liked the song 'Simple' because I hope to go to one of Florida Georgia Line's concerts and want to know all the words to the songs."  
7th grader Drew Roberts

"I Don't Care' was my favorite song, because my favorite singer sings it. I like the words and the tone that he sings it in."  
3rd grader Easton Zirbel
