"A lot has changed," said Nakeesha Kipper, a former North Wildcat, who graduated in 1997. "I love that the music kids can perform in the new auditorium instead of the gym. When I attended North, my locker wasn't blue; it was gold. It isn't even here anymore. I'd say the biggest changes would have to be the auditorium, and the cafeteria."

2002

From the air in 1985, the campus was small; but in the fall of 2002, noticeable additions took shape with the new large gym, a performing arts center, and a connection to the YMCA as a partnership for the pool.

Full of color, full of spirit, Wildcat Nation explodes with excitement as the 'Cats pound the Davenport Central Blue Devils at Brady Street Stadium during the first home game 37-0. "Our victory was well deserved and long awaited. Central has always been a tough competitor for us so finally beating them felt good," said senior Darci Henkens.
