"I hope everyone enjoys looking through this yearbook as much as we enjoyed making it. It has been a great three years working on the yearbook staff, and I can't wait for a fourth. The yearbook staff this year has worked incredibly hard, and their dedication and quality of work continues to amaze me. Thanks to everyone who supports us."

"Being a part of the yearbook staff has been one of the best decisions I have ever made. I've enjoyed every single moment of it, from editing a story to knocking on a teacher's door asking for a student to interview. Every staff member has worked hard to make this yearbook perfect, and we thank you and hope you enjoy it!"
