Acknowledgements

We had the privilege to work with 21 incredible staff members, including Alexis Dick, Alice Meng, Caroline Barker, Caroline Chandler, Hanah Kitamoto, Kiley Butcher, Mariam Keita, Misha Canin, Paras Bassuk and Sydney Wildes. We would have not been able to put such a creative and amazing book together without you all. Many of our staffers didn't sign up for yearbook but learned to love it when they joined us on this journey. Everyone has put their time and effort into this book, which leaves us very grateful.

We would also like to thank our amazing section editors for going through the ups and downs of this year with us. Clubs/academics editor Cameron Reimers, people editors Sarah Callanan and Sara Baroncini, sports editors Joe Goodman and Owen Aanestad, student life editor Maddy Smith, business editor Maddy Ephraim, managing editor Alyssa Skala and copy editor Fareeha Ahmad. Despite being new on staff, you've all done a phenomenal job.

A special thank you to our adviser Sara. We just wanted to say that you've done an absolutely amazing job as our new adviser. You picked up the ins and outs of the yearbook quickly and that continues to impress us. We are forever thankful for all the hard work and dedication you poured into the yearbook. This book would not be the same without you.

Thank you to Kristy and Lori Shaw from Jostens for always being flexible with us throughout this year. With messy weather and the numerous questions we had, you were always there to supply us with answers and guidance.

This book would have never been possible if it weren't for the phenomenal staff at West High. At many times throughout the year, we had to ask coaches for quotes or teachers if we could take a quick photo of their students in the hallways. We would not have made such a great book if it weren't for the support we received from Dr. Shoultz, the rest of administration, the library and office staff and our teachers.

Twenty-one students along with assistance from the members of West Side Story worked together to produce the 2020 Trojan Epic with the guidance of adviser Sara Whittaker. The 200-page yearbook was produced on 2.3 GHz Intel Core i5 computers, using Adobe InDesign CC 2019 and Photoshop CC 2019. Sports photos were with Nikon and Canon cameras. The process colors used consisted of Earthwise Spring Rain, Petal Pink, Lettuce, Cactus, Rust as well as Dandelion from Robust, and Mood and Parade from Neue. Most body text was set in 10/15.8 AYT Franklin Gothic Condensed; Captions were set in 8/9.6 AYT Franklin Gothic Book. The display fonts are AYT Cycle and AYT Shift. The yearbook was printed on 90-pound gloss enamel paper, and four signatures (one, two, four and five) have a special UV coating to highlight the photos. The super matte finish cover was designed by Cameron Reimers. Endsheets were printed on Snow White 290 stock with process colors on front and back. About 750 copies were printed in Clarksville, Tenn. The \$75 price included a 20-page spring supplement to be distributed in August.
