

UNCLE BILL'S

PIZZA

"I really like to get their Billy Bread. I go to Uncle Bill's about 2-3 times a month and just get pizza from there. That's my favorite pizza place in Davenport. I highly recommend it."
-Hunter Roehl '21

"In my opinion, Uncle Bill's has the best pizza in town. I like to keep it simple and stick to a good pepperoni pizza from there."
-Tate Kronfeld '21

"On the weekends, I always go to HyVee with my parents. I like that some of my friends from class work there so I get to see them during our shopping visits."
-Roman Reese '23

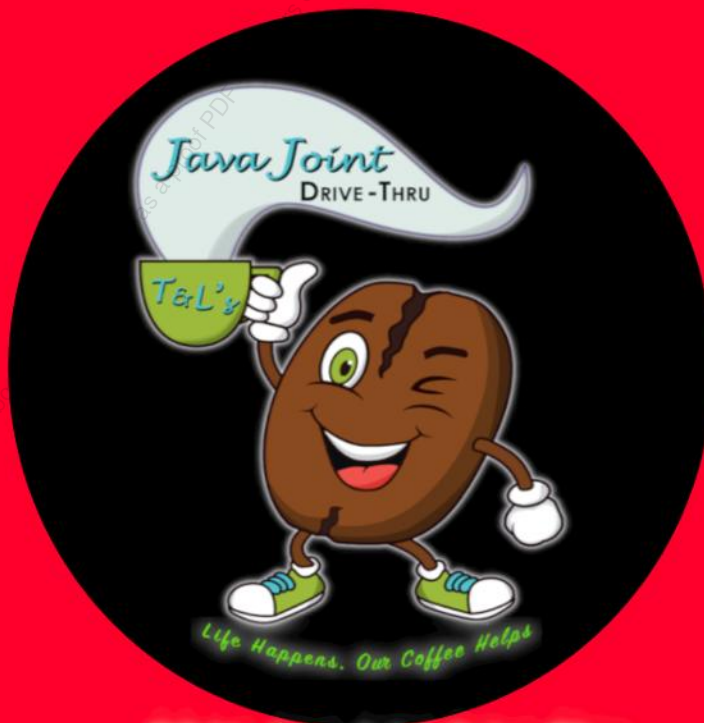

"I go to Java Joint at least two times a week. My favorite drinks there are Cosmic Dust and Space Queen! I prefer this place over all of the other coffee places in town because they have the most options to choose from!"
-Emma Thalacker '22

"I highly recommend Java Joint to everyone! They have a wide variety of options on their menu and a discount for students. I love that it is such a quick and easy stop in the mornings before school. The energy drinks and coffee keep me awake and alert all day. They also just taste really good so if you haven't stopped by and tried it yet, you should get to it!"
