

SOPHOMORES

ERIKA HOLMBERG

Involved in a wide variety of activities such as varsity golf, wind symphony, jazz choir and band, and chamber choir, Erika Holmberg is a sophomore to watch. Not only is Holmberg actively involved in these activities, but she has also collected an impressive amount of accolades. She has made SEIBA Honor Band three years in a row, IBA Honor Band, All-State for chorus, played at State Golf her freshman year, and medaled in multiple multi-school golf meets during her freshman season. Her passion for golf stems from the idea that it is both an individual and a team sport, as well as having the opportunity to practice with her teammates everyday who are all reaching to achieve the same goals as a team and individually. Holmberg loves having the ability to express herself and be creative in music with some of her closest friends, having said "I love getting to work with so many different people who are just as passionate about music as I am and getting to create super cool friendships along the way." While balancing all of these activities alongside school, Holmberg focuses on managing her time efficiently in order to avoid sacrificing anything she is passionate about, as she cares deeply about academics, athletics, and her musical endeavors. When overwhelmed, she reminds herself that in the end everything will be all worth it. Outside of school, Erika enjoys hanging out with friends and family whether it is going boating on the lake or a simple bike ride, she just loves spending time with those close to her. In addition to spending time with friends and family, she enjoys spending time outdoors - specifically going on nature walks, playing tennis, golfing, swimming, wakeboarding, and many other outdoor activities. Eventually, she wants to go to college to pursue music teaching or therapy or potentially the medical field. Holmberg wants to attend a college that is supportive of both her music and golf passions.
