Last Minute Win

It all came down to the last minute of the game.

In the final home game of the season, the Hawks were fighting for revenge against Decorah.

"The game went back and forth all night," linebacker Joseph Burke (12) said. "It was one of the most aggressive games I've played in."

In the last minute of the fourth quarter, the score was 26-20, and Decorah was ready to score, but defensive back Logan Woellert intercepted the pass. The Hawks ran out the clock by kneeling the ball, and Decorah lost their chance at the playoffs.

Defensive end Kieran Monaghan said, "Seeing Logan catch the ball was definitely the most memorable moment of the season."

"It was an unexpected win," Monaghan said, "but I believe it was a turning point that changed the mood and perspective of the team. We won our last two games after that."

Senior Benjamin Petton enjoyed seeking revenge on Decorah.

"It was an amazing feeling to know that seniors could walk off Brown Field for the last time with a win." The Hawks ended the season, 5-4.

"I was excited and nervous for the game against Decorah because I was getting to play both ways. It was a really exciting game that went to the last second."

Running into the Competition

Freshmen Perspective:

"I enjoy playing high school football more than middle school. There were almost twice as many games, and all the teams were a lot more competitive."
