FAVORITE MEMORY

"My favorite memory of the entire year was the last football game of the 2019 season vs. Meskwaki. The entire game I felt determination, and the last few seconds of the game I felt pure joy. I loved celebrating with my teammates. The game made me even more excited for this upcoming season."

NEW YEAR

"For the upcoming year, my goal is to do a better job at turning my practice work in. I feel as if turning my practice work in will help find the motivation I need to finish the year strong."

RESOLUTION

FAVORITE MEMORY

"Meeting my best friend was definitely the highlight of my year. Noelle Roby, 10, was the first person I met at Baxter and she was very welcoming and accepting. I created a bond with her and found out that we are a lot alike. I don't know what I would do without her."

NEW YEAR

"This year I want to become a nicer person. I don't have a specific reason why, but I feel like the simple gesture can bring more happiness into my life."

FAVORITE MEMORY

"My favorite memory of this year was the entire football season. The best part of the season was all the fun practices we would have. During the practices the team would create a tight bond and we would have a chance to interact with our coaches."

NEW YEAR RESOLUTION

"For the new year I want to do my best in wrestling. Wrestling is one of my favorite sports and I would love to be successful this season. To do so I will have to practice and push myself everyday. I also want to create a close bond to my wrestling teammates because it is a great way to make new connections with people."

FAVORITE MEMORY

"My favorite memory was the first time I served the volleyball over the net in my first volleyball game. I was very excited to hear all of my teammates cheering me on. My coach Marie helped me prepare for the serve in the game. Marie and I became very close throughout the season. We had a lot of fun and inside jokes."

NEW YEAR RESOLUTION

"For the new year I want to get better at basketball. I went out this year and started to really enjoy the game. To get better I will have to practice super hard and work with my teammates. I look up to Sadie Meyer, 12, a lot. She is a great friend and is very supportive."
