Can you match each SPARTAN to his/her talent?

1. **Rachel Lyon '21** has been singing for as long as she can remember. After growing up with older siblings who all sang, her oldest sister Catherine became her inspiration. Seeing what they could do with their voices led her to try out singing as well. In doing so, she met one of her best friends. 2. **Rachel Karzin '22** is a dancer. She started dancing at the age of 2 and has always been happy with dance. After trying out a couple studios she is currently taking classes at Studio A Dance Company. Karzin sees dance as an opportunity to constantly better herself. 3. **Alex Blackwell '22** first started programming when he was 10 years old. Right now, Blackwell wants to use his programming and coding skills to assemble various online programs. He has developed many things including a website: parotta.xyz. 4. **Uma Kasichainula '21** did not get serious about art until her sophomore year, but since then her art has grown. Much of her work has been inspired by others. A couple of her pieces reflect the emotions art can bring out including fear and how it may consumer you. 5. **Ella Hurst '24** has done pageants for two years now. At one point she even scored top 12 in the nation. Hurst likes pageants because they have taught her how to make friends, how to be humble, and they have given her self confidence. 6. **Taze Wilson '21** is writing the spring play for the PV theater department. He has been writing creatively since he was a little kid, even writing a short story in the sixth grade. Wilson's previous work in the drama department aided in his receiving this opportunity. In the future, he plans to apply to a four year college for a job in writing or acting. 7. **Carter Schadler '23** currently plays hockey for the Blues team and has been playing for four years. Schadler enjoys the physical aspect of the sport and has developed many friendships in his time on the team. In the future he hopes to get into colleges that offer hockey scholarships. 8. **Alec Hennings '22** has played bass guitar for 7 years now. He got his inspiration from Flea, a member of the band Red Hot Chili Papers. Hennings plans to produce his own music in future.

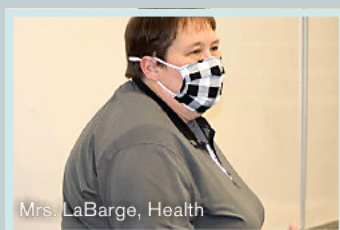

What do the departments think about their subjects?

We sent a survey to each department, asking all of the teachers a curricular question. Can you guess how the majority of the teachers in their respective departments answered each question? The results are at the bottom of the page.

 C. "Give him a chuck on the chin..."
 D. "Straight up!"

Sacco B. VanWetzinga A. Spangenberg D. Buchter D. Meyers C. Byrne A.

UNPRECEDENTED but UNified

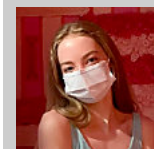

The spirit of these Spartans is UNbreakable. Here's how they showed their resilience amidst the COVID-19 global pandemic.

"I just found something I enjoyed, like sports, and did it for an hour every day."
 Bradyn Fairman, 24

"The pandemic made it difficult for my first year of high school but I did end of making some great friends"
 Julien Fairman, 24

"Since last March, I feel like I finally know what friendships matter most to me"
 Maddison Figanbaum, 24

"Spartan Assembly really kept me going because we were able to plan some events and even help with prom."
 Celia Brown, 24

WE ARE SPARTAN NATION.

Can you match each SPARTAN to his/her job?

1. **Cara Blunk '21** has worked at Coffee Hound for a little over a year now. One of her favorite aspects of working in a coffee shop is seeing all the regulars and brightening their days with a cup of coffee. Although she doesn't know what she wants to do long term yet, Blunk has plans to focus on business management in college. 2. **Jack Kilstrom '23** works at Subway. He has worked there for a little over a year. Kilstrom chose to work at Subway because his uncle and dad both own it, and when Kilstrom's dad was younger, he also worked at a Subway. 3. **Callahan Morton '21** has worked at The Red Apple for a little over a year now. Hoping to pursue a career in pediatric neuro-psychology, Morton enjoys the Red Apple and watching the kids curious little minds grow. 4. **Ava Hahn '22** hasn't been working at Atomic long, but loves it just the same. Hahn likes working at Atomic because she is friends with her coworkers and occasionally sees her friends in the drive thru. Hahn's current go to drink is the Aquamarine. 5. **Olivia Reddish '21** has been working at Steel Plow for about 3 years now. Her favorite thing about working at Steel Plow is being able to work with family and the friendships she has created with her co-workers. 6. **Sydney Dolphin '22** has worked at Peachwave since the beginning of June. Dolphin loves the environment and plans to work there until she goes off to college. 7. **Mukul Kulkarni '22** works at Mathnasium in Bettendorf, Iowa. He has worked there since the beginning of the summer, and teaches various levels of math. In the future he hopes to find a job in aerospace engineering.
