

# FROM US TO YOU

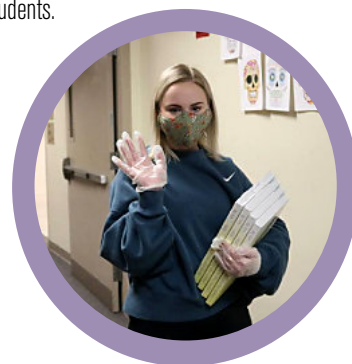

## A LETTER FROM THE EDITORS

Dear Readers,

Thank you for taking the time to look through this book. The 2021 Javelin team has been working hard all year, and we are very proud of what we have created for you. Our Path Forward is meaningful to us as it showcases how we came out of a worldwide pandemic and what we have done to return to normal life again. This book tells the story of the successes of our music programs, sports teams, academics, and more. We would like to extend a huge thanks to all the students who worked on this book and stepped up when we needed them. We would also like to thank Colleen Arneson and the team at Jostens for answering every question and phone call, which helped us to be able to produce this yearbook. To Mrs. McKay, thank you for allowing the journalism department to continue on and for always supporting us. We'd also like to express thanks to our journalism adviser, Ms. Berryhill. She allows us to work freely and learn through hands-on experiences, while still creating a positive environment and providing us with various journalism opportunities. To our sponsors, we wouldn't be able to create such a bright, beautiful book of memories without you. We really appreciate your funds and support that help make our yearbooks more affordable for our students. Lastly, thank you to our readers. We are happy to provide you with something you can look back at to remember all the special moments, faces, and accomplishments you experienced while attending Atlantic High School. We hope you enjoy!
