CLER CREEK AMANA HIGH SCHOOL

2021

# INTOTHEUNKNOWN

In the year 2020, a virus began to spread across the world. Starting school during all of the commotion was at question everywhere. Clear Creek Amana decided to try to make the 2020-2021 school year as normal as possible even though there was precautions due to COVID-19.

The theme, "Into The Unknown" highlights exactly what it sounds like. In the beginning stages of the creation of this book and even now, we do not know what the world holds for us in the future. "Into the Unknown" represented that just perfectly.

Even though this year did not go as planned, the high school staff and school board made the best of it. Throughout the book, you will find the memories we have made throughout one of the hardest years of our lives. Enjoy!

## LETTER FROM THE EDITORS

Dear Reader.

We want to thank you for purchasing this year's book. This would not have been possible without you. Even though this year was rough, we managed to bring it all together. Here it is thriving. We worked every waking moment we had to spare in order to make this book. We hope you appreciate it and enjoy it as much as we do. Throughout, you will find highlighted moments on the division categories where we believed to be memorable moments throughout the season. The book is categorized into five sections! Fall, Winter, Spring, People and Seniors. We decided to add a senior section because we had never seen it done before. Afterall, to become a senior and to finally graduate is what high school is all about. We sincerely hope you enjoy this book as much as we enjoyed creating it.

Sincerely, Emily, Katelyn, Madison, Brean and Ashlyn

Senior Ryan Navara celebrates with Junior Harrison Rosenberg after a touchdown.

The offensive line prepares to play.

"COVID QUARANTINE HAS TAUGHT ME TO EXPECT THE UNEXPECTED AND BE READY FOR WHATEVER OBSTACLES LIFE THROWS AT ME."- BLESSING KABASELE ('23)

Junior Ethan Pegump runs from a defender.

# THE POWER TO PERFORM; THE WILL TO WIN

### Varsity Football

Upon starting off the season with a loss, the varsity football players were scratching for a big win.

"My favorite game of the season was against Muscatine because we had just lost a close game on the road and we were searching for that first win. Both the offensive and defensive lines played really well and we were able to dominate a 4A school," says **senior Tanner Webb.** The varsity football team was able to make it through the season without any interruptions that would have been caused by COVID-19. Players and coaches were required to sanitize every eight minutes during practices and games.

While seating was limited for home games due to the ongoing pandemic, the players each got four tickets for family and friends. "We really wanted to get the crowd going by handing out all of our tickets because we grow off of the momentum and energy they produce," says **junior Tyler Steines.** Seniors were able to purchase tickets for the last few games of the season including the Homecoming game against Oskaloosa.

"Even just that little extra boost of energy and excitement from the added fans gave us so much energy and drive to play well. We love to hear the cheers from the crowd behind us," explains **junior Xavier Williams**.

"I will miss the excitement and energy that Friday nights created for my friends and I. I think my favorite part was just having fun with the bros and getting excited with them as well as getting hyped up for the crowd. Theres nothing like a full send Friday night under the lights."

- Ryan Navara ('21)

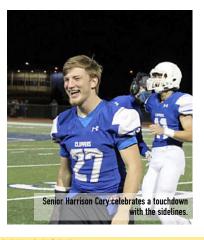

### FOREVER 41

"He was always my biggest supporter in every sport I did, on and off the field. He was always taking me to camps and practiced in the yard with me." Anthony's father always pushed him to be the best at whatever he did. After his passing, Anthony continued the football season in his honor. The varsity team created shirts with his fathers number on the back. Anthony was given a new jersey with the number 41 displayed as well. During the Newton game, Coach Bakker noticed the score at half time was at 28 points. Bakker wanted to end the game with a score of 41 points, and made it happen. Anthony was pulled aside to look at the score of the game. "It was an amazing moment. The community has been such a big help. I have the best

team with so many close friends," explains Hennes.

SAMUEL LUND ('22)-"MY MAIN COAL IN LIFE IS TO BECOME A PRO BOXER, ONCE I'VE ACHIEVED THAT I WANT TO OWN MY OWN GYM."

# NOWTHEKNOWN

2021 may have been the hardest year yet. Virtual learning, shortened days, and new construction happening in the building. Yearbook wants to thank you for making it a good year with amazing outcomes. We are so thankful for the opportunity to capture your year, as well as ours, in an unbelievable way.

Going into this year we definitely had no idea what our yearbook staff was getting into; it was difficult mainly because we didn't have the usual activities to capture, BUT, this unusual year led us to using greater creativity than ever before. We could not have done it without you and your cooperation. Thank you for making the school year 2020-2021 unimaginable.
