RIISING TO THE TOP After a season like never before, the Lynx football team went into the Playoffs undefeated. The Lynx ended their season 9-1 in the 3A State Quarterfinals as the 3A District 2 Champs. "In the end, all the hard work finally paid off. From lifting to speed training, I'm sad it's over. I will miss the team meals before each home game and the locker room after a win," said **Trey Shannon**, 12th.
