**Esmeralda

To our beautiful daughter, We look back on these photos and still can't believe how fast the years passed us. It feels like we closed our eyes for a moment, and suddenly a woman stood where a little girl used to be. This day came so quickly. Being the first in our family to graduate and go to college is something so special. We believed you could and you did it. You stayed dedicated and committed. We are so proud of you. What an honor it is to be your parents. In our eyes, you are perfect, smart and beautiful. Follow your dreams and never give up. Congratulations on your big day. We love you so much Mami y Papi. Forever your proud brother, Ernesto.
