The theme of Volume 54 of The Husky is "Measure Up." It was produced by the yearbook class at Hoover High School in Des Moines, Iowa. The book was printed by Herff Jones, Inc in Kansas City. The account was serviced by representative Marc Havnen and customer service representative Terri Schnell. The price of the book was \$65. The yearbook adviser was Sarah Hamilton. The editors in chief were senior Amber Hagler and junior Lilly Johns. This yearbook was completed during virtual only classes, hybrid classes and full in-person classes during the Covid-19 pandemic.

The cover incorporated a full-color litho printed on standard white litho stock with matte-film, scuff resistant lamination and silkscreen varnish applied. The full-color endsheets were printed on the front and back covers. All body copy, subheads and captions were AHJ Avalon. Layouts were submitted to the plant electronically using HJ edesign. Photographs were taken using a Canon Rebel T5. Photographs included were also student and parent submissions, Mark Clark Photography photos and Des Moines Schools Flickr photos.
