## TORMENTER OF DREAMS, GUARDIAN OF HOPE

"Change!" said I, "thing of forward, denier of reverse."

Much I marveled the reverse reshuffle,

Deep into that darkness switching

From past, to present, to the ever-nearing future.

Frequently waking from numb dream

To blistering reality.

Hearing the silent tormenter

Plotting schemes, schemes of destruction, vengeance,

Yet construction and forgiveness live.

In a kingdom full of revisions,

I awake and fling down the step,

Down to the waiting dungeon.

To the waiting tormenter of dreams.
