"I really like their burgers, and it's really convenient cause it's pretty close to West. They're service is really fast too, it never takes more than five minutes to get my food. It's good quality food too, it's definitely better than any other fast food place."  
-Abbigail Johnson '22

"Cars, Trucks, and Vans seems like a great place to get my car fixed, and I would definitely consider applying there when I get old enough for a job!"  
- Briar Guenther '24
