

# PRESIDENTIAL

“He also has done a lot for this country. He started the border wall. He is trying to make peace in Jerusalem, and he met with North Korea for the first time in forever. He has also done a lot for the black community.”

- Sophomore **Deacon Yeoman**

“I think Trump has a lot of good points on how to make the country better. You can tell he actually cares about some of the stuff he wants to do.”

- Sophomore **Maria Pronina**

“Because Trump is doing a lot of good in the world.”

- Junior **Brooklyn Hufzer**

“I have more Republican views than Democratic views.”

- Senior **Emma Yoder**

“Although I disagree with President Trump in many areas and wish he could be more respectful to everyone, I agree with him more than I agree with Mr. Biden on controversial issues such as abortion laws and gun rights. I believe Trump could use his power to make some great changes if he just gets off his Twitter account. I also appreciate President Trump’s urging of prayer in America.”

- Senior **Noelle Ruckman**

# TEAM TRUMP

“I voted for Trump because I know he’ll do good things for our country like he’s done in the past, and I can’t be voting for someone like Biden.”

- Senior **Izaak Lahue**

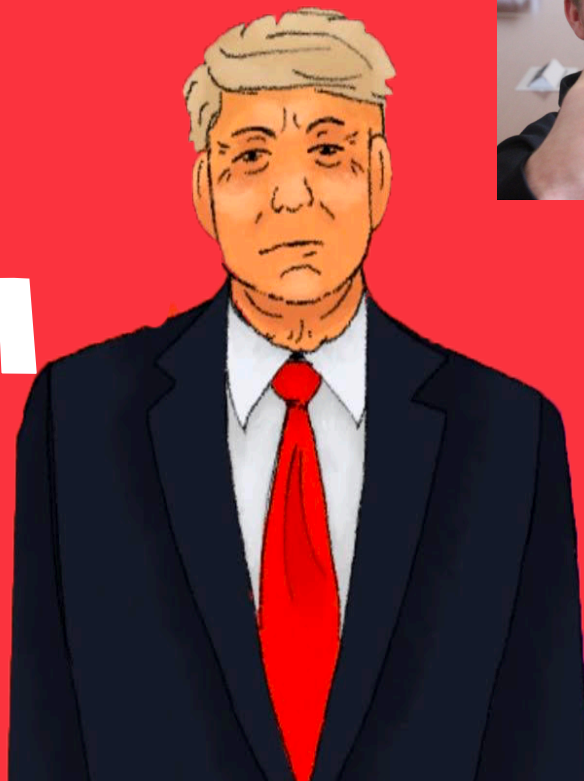

“Trump helped the economy a lot in these past four years. He was in office in many different ways. He also had lots of good tax cuts and has done his best with the Covid situation with travel bans and trying to get a vaccine as fast as possible. Trump also has the same views as me, which is why I support Trump.”

- Sophomore **Alec VandeNoord**

“Ivanka Trump is Sexy.”

- Junior **Aidan Pollock**

# ELECTION 2020

"I voted for Biden because he cares about social justice issues."  
-Senior **Braden Rowe**

"I'd vote for Biden instead of Trump because Biden's morals line up better with mine. I'd also like to not have a racist, sexist, homophobic, transphobic, xenophobic as my president anymore. Though all in all I believe there were better candidates than Biden, I'll take what I can get. #Settle4Biden2020"

-Sophomore **Caityln McCracken**

"If I were able to vote, I would vote for Biden because my mom is a Trump supporter."  
-Sophomore **Maylei Ruggles**

## T E A M B I D E N

"Another 4 years of Trump would destroy our country. The first 4 years were 4 years too long."  
- Junior **Zarah VanDyk**

"Because I believe that the best thing for the United States at the moment is to have a new president in office. The president who has ruined many people's lives by not taking Covid 19 seriously is not going to fix it. We need Biden to take control and fix this mess. I believe he will do everything in his power to help mitigate the spread."  
- Freshman **Thomas Tangen**

"He's the only candidate that has a chance at beating Trump. I don't like him, but I'd settle for him."  
- Sophomore **Josephine McDonald**

"Trump is infringing upon the rights of the LGBT+ community as well as in support of stripping the US of Obamacare, which I simply cannot support. His views lean much further right than I am comfortable with, and his disregard for human life in the battle with COVID-19 is quite frankly deplorable."  
- Junior **Nona Van Berkum**

"The President of the United States should be held to the same standard of human decency as the citizens of said country."  
- Senior **Zandra Spiker**

"Settle for Biden 2020. Trump is not doing enough about coronavirus. He said climate change isn't real. He's generally dumb and a bad president."  
- Sophomore **Abbey Beal**
