

♥ a-z HEALTHCARE THANK YOU'S ♥

Abby Lee

"Thank you Abby for all you do for keeping moms and babies safe! I love you!" -Mrs. Donner

Blood bank workers

For working to provide plasma for COVID patients

Clark Feller

"I would like to thank you for all the tasks that you have put in at work, running blood work and other tests more than you normally do, because you have to do part of someone else's job, as they are running all the COVID-19 tests. At the start of the pandemic, you were running some of the COVID-19 tests, so thank you for that also!" -Sarah Feller '23

Diana Schilling

"I want to thank my 71-year-old grandmother who is a nurse and is still helping others." -Jordan Junge '22

Epidemiologists

For educating on the public health measures and working to help stop the severity of the outbreak

Fauci, Anthony

"Thank you for informing us about the dangers of COVID-19. You have been a great help and a guide for people during this difficult time." -Student Life Team

Geriatric caregivers

For keeping the elderly company during these times of them being unable to receive visits by family members.

Haag, Bryan

"I want to thank you for just generally being ready-to-go as soon as you were allowed to go back to work by helping people with their optometry needs during the shutdown. I'm also thankful for your willingness to get vaccinated. Thanks, dad! You're the best!" -Mrs. Kutilek

Immunologists

For being extremely committed to helping develop a vaccine to give our community an end to the pandemic

Jill Huntington

"Jill is a pharmacist and has been working all throughout this pandemic. Thank you for your work during this difficult time." -Maegan Reininga '22

Kim Loffswold

"I would like to thank you for continually working since the beginning of COVID. Your patients see your hard work and dedication in your job. You inspire me to give my all every day." -Kya Loffswold '21

Leon Robins

"Thank you so much to Leon and all other healthcare workers that put their lives on the line for our safety! They are truly heroes!" -Maci Schimberg '22

Mary Kettmann

"Thank you mom for working your hardest and trying to adjust to the new things in the hospital regarding COVID! Thank you for always being your best and caring so much about your patients." -Norah Kettmann '22

Naeve, Kris

"Mrs. Naeve's dedication to the health and well-being of this school has been up and beyond what school nurses usually provide. She is working endless hours without fanfare. She handles difficult conversations on a daily basis. Mrs. Naeve is a gift from God to Xavier." -Mrs. Bowen

Olson, Joy

"Thank you Dr. Olson and OBGYN Associates for all you do in caring for pregnant and expectant mothers." -Mrs. Augustine

Proskovec, Michelle

"Michelle is a pharmacist at Hy-Vee Drugstore and she always gives good advice on the best healthcare practices during the pandemic. She is both knowledgeable and compassionate of others." -Mrs. Burgeson

Quality specialists

For working to give patients the best care possible by improving the quality of not only the patients' care, but also the care the family receives as well

Runde, Stephen

"I want to thank you for working so hard throughout this pandemic. Having to navigate COVID-19 and working hard everyday to figure out new solutions to the problems you face would be so difficult, but you have done it without complaint. Your passion to help people and get through this pandemic is inspiring. You have adapted to the new normal while remaining optimistic. Thanks so much for everything you do." -Lauren Runde '22

Sevening, John

"He answered all of my questions when getting a check up and he's a great guy." -Alex Dolan '22

Travel nurses

For stepping up to help relieve frontline workers of their daily tasks

Ultrasonographers

For working to provide the best general care to patients amongst the pandemic

Vaccine administrators

For working so hard to allow our community to see a small light at the end of the pandemic

Ward nurses

For taking on demanding schedules to be able to give COVID patients the care they need

X-ray technicians

For working to provide the best general care to patients amongst the pandemic

Young medical students

For stepping up to help our community, especially with vaccine administration

Zavala, Claudia

"Thanks mom for saving lives!" -Dominic Bouffard '21
