APRIL/MAY

When Jay Rice '94 brainstormed the name of our paper in 1991, it was not because of the ink color. For the last 28 years, our mission has been to bring our audience stories from the school, community and nation, told clearly and without exaggeration--in black and white.

STRONGER, TOGETHER

This one goes out to the seniors on our staff. A few months ago, COVID-19 entered our lives and forever changed them, especially for our seniors who missed out on so many lasts. However, while we may seem ever so isolated in this time, COVID-19 is making us stronger, together. From the small businesses that work to keep going, to all the students living it up in quarantine. To the class of 2020 who has so much to say. To the toilet paper hoarders- you know who you are. And all the brave frontline workers. May we know that we are not alone in our battle against COVID-19, but stronger together.
