MEET THE ARTIST

Q: Tell me about how you got into art?

A: I started doing art when I was little like a lot of kids, and I just never really stopped.

What is your favorite thing to draw? Why?

A: I like drawing people because of all of the interesting features people can have.

Q: How did you come up with these characters or this comic idea?

A: This character I have for the comic is really just how I draw myself, and I do it all the time so it's really easy to do.
