Jump High: Freshman Isaac Buhr competes in the High Jump Field Event in the first meet of the indoor season.

Got Wheels: Senior Darian Davis makes a speedy start in the 60 meter dash.

Get Excited: Drew Hobart (Sophomore) and Javel Lee (Junior) run side by side over the hurdles at a home indoor meet. Lee expressed his excitement for the outdoor season saying, "I'm excited to compete and be able to qualify for Drake and state." The boys are all excited to see how their efforts from the indoor season reveal in the upcoming outdoor season.

Indoor Facilities Set up for Success

by Kate Laura

The Mason City Boys Track and Field Team started their season off strong with the first ever indoor track meet hosted at MCHS. Due to the incredible new facilities, this was able to happen. Senior Justyn Rivera won the long jump event. Ra'shaun Sinnwell, Drew Hobart, Kasin Byre, and David Muniz took 1st place in the 4x400m race. These were both facility records. Cade Meyer took second place in shot put and Darian Davis took second place in the 60m dash. The indoor season provided an advantage to practice and compete for the outdoor season.

Senior Antoine Hopkins clears the high jump bar at the first home indoor meet of the season.

Better Together: Ellea Lewerke (senior) and her sister Greta Lewerke (Junior) run side by side down the 60 meter hurdle race. Both Greta and Ellea have been going out for track since middle school. Ellea and Greta's favorite event is the shuttle hurdle relay.

Got Speed: Freshman Latasha York sprints the 60 Meter Dash at the first home meet of the indoor season.

Striding for the Finish: Freshman Peyton Zilge runs the 60 meter dash.

Working to the Top

by Lily Clausen

The Mason City Girls Track team had a very successful start to their indoor season, including many indoor records broken. Sophomore Brogan Evans, junior Savannah Davis, senior Aspen Cole, and senior Audra Mulholland defeated the 4x800m relay record at the IATC meet on March 8. Brogan Evans didn't stop there with her victory. With her hard work and dedication, she broke two more records. Those two events were the open 800 and the 1500 meter run. Senior Gwen Fiser stated, "I'm looking forward to all of the events the outdoor season has to offer compared to the indoor season and getting to spend it with my friends." The indoor season provided many opportunities for the girls to prepare for the outdoor season.
