Entry Fee Information

Each school is limited to three entries in 16 of 19 Newspaper/Newsmagazine Contest categories. The six design categories differentiate between broadsheet and tabloid presentation. Each school is allowed to enter only three page design categories.

A \$5 fee must be included for each category entered, whether one or the maximum of three entries are entered. For example, if a school enters one news story, three feature stories, two sports photographs and three illustrations, the total fee would be \$20 because only four categories were entered, even though nine individual entries were submitted. The maximum contest fee is \$95 if a school enters all 19 categories. The maximum total entries from each school is 42. If desired, one student may submit the school's allotted three entries in a given category.

Please refer to the rules pages, also a part of this document, before submitting entries in the contest.
