Looking back

by senior Megan Schwenneker

Summer 2014 was one for the books. Hudson students of all ages spent countless hours soaking up the sun on homemade Slip 'N Slides, working at the Hudson High School Student Council car wash to raise money for homecoming, and enjoying their favorite sports like soccer, baseball, water skiing, and tennis. Some Hudson High students were even able to step out of their comfort zones and enjoy the fame of their limitless accomplishments. From the sports we love to the impressive feats we made, this summer was unlike any other.
