having a field day

by freshman **Erin O'Malley**

May 3 | May 12

Field Day was a fun-filled day for the elementary students. On May 8th, all K-6 students got to skip their everyday classes and compete for fun. They got to experience many different activities throughout the day like the 100 meter dash, a tug or war, obstacle races, a much more. Thanks to the hard work and preparation from the K-8 physical education teacher, **Travis Kiewiet**, and his eighth grader helpers, Field Day 2015 was one to remember.
