Bringing the pep

by senior Madison Rousselow

Homecoming week was packed full with fun. The week consisted of Macho Match for the junior and senior boys, Powder Puff football for the junior and senior girls, and class games at the Friday pep assembly. The junior class won Matcho Match in a quick two sets, while the senior class barely swiped the Powder Puff victory. During the class games, various students participated in tying shoelaces together, forming a class kickline, and creating a ten person pyramid.
