Many people came together to make this yearbook cohesive. Though I cannot name every single person who contributed, I would like to thank each of you. Without your help, this yearbook would not be what it is. I want to give a most special thanks to the *Epic* staff. You all have made time in and out of your busy school days to aid in the effort to make this book what it is. You have collaborated to make a 284-page book in less than six months. You all have shown your commitment by facing winter storms to come to work nights to finish pages before deadlines. We had hardworking editors to make sure the deadlines were met: Kennedy, Aileen, Mikina, Kenzie, Emily, Nisha, Avery, Hailey and Catherine. Thanks for spending a little more time to check captions, photo credits and fonts while having fun in the process. Your leadership and commitment as section editors pushed the book to be the best it could be. I also want to thank Anna, Shea, Emma, Lydia, Ellie and Autumn for all of your contributions. I could not have asked for a more fun and determined staff. The Intro students deserve thanks as well for writing profiles and creating the page on flannel. Doc, you amaze me with your contribution and leadership to push me and the staff to be the best journalists and leaders we can. This is my fourth and final year working with you, and I can truly say that you have taught me so much about what being a leader means and, of course, time management. We have stormed through deadline crunch times and had fun along the way. There is no way the book would have been completed and the deadlines been met without your reminders and encouragement.

A special shout-out to our Jostens sales representatives, Bob Kerdus and Kristy Stern, for making monthly visits to our yearbook room and offering advice on pages and on our cover. Thanks to our plant rep, Lori Shaw, for managing our book's production.

The *Epic* staff would like to thank Karen and Wayne Johnson of Main Street Studio for taking our club photos. We would also like to thank Jim Halverson for taking the student and staff photos as well as our endsheet photos. We truly appreciate the help of Sam Drella, Kelsey Sage and Sophi Breneman for helping us track down students. Lisa Bream for providing rosters, Beckie Smalley for accounting, and Marcy Wardenburg and Scott Kibby for athletic information. Without your help, our job would be much more difficult. I would also like to thank you, the reader! We have spent hours collectively assembling this yearbook in hopes of pleasing you, our audience. You have probably seen staff members with cameras and notebooks in hopes of documenting the year. I hope when you all gravitate to the Cafeteria on distribution day, your expectations have been met.

A most gracious thank you!
 Nidhi Patel

COLOPHON

used for scoreboards is Franklin Gothic. Display fonts were **HUXLEY VERTICAL** and Square Serif. The yearbook was printed on 80-pound gloss enamel paper; signatures 1 and 5 have a UV coating to create a special glossy effect. Endsheets were printed on Snow White 280 stock with process colors on front and back. The cover is a full-color Custom litho designed by Jostens artist Roxanne Ebberts based on a concept generated by members of the yearbook staff. Approximately 1,200 copies of the yearbook were printed in Clarksville, Tenn. The \$80 price included a 28-page spring supplement to be distributed at registration in August. The staff drew inspiration for the "Gravitate" theme at a Jostens creativity workshop in September in Bloomington, Minn.
