We would like to take this opportunity to thank the businesses who sponsored the yearbook. They are listed on pages 118-119. Thanks to the professional photographers who contributed sports team photos to the vearbook, including Jeff Schmatt of Rubicon Photo and David Thackery of Thackery's Photo Images. We appreciate the photos donated by several parents and teachers, including John Gruber-Miller, Rich Herrmann, Dain Jeppson, Sue Deibner, Margo Massey, and Jen Lengwin. We also used photos posted on Twitter by principal Steve Brand and many students.

Our Jostens representative was Bob Kerdus, and we wish him a fun retirement after serving us for decades. Our yearbook DVD was created by senior Matt Banwart on Adobe Premiere Pro and reproduced by Spiral Productions. The yearbook sold for \$50 per copy and had a press run of 245 copies.

The 2014-15 Centaur, Vol. 10, is 124 full-color pages on 100# gloss enamel paper. The custom litho combo cover has a sierra grain and shine FX application. The cover was designed by senior Claire Pettinger with input from the publication and design class.

The yearbook was created online at Jostens Yearbook Avenue and produced at the Jostens Plant in Visalia, Calif. Adobe Photoshop Elements was used to edit photos taken with three Canon Digital Rebel cameras. Halverson Photography provided the student portraits, and senior photos were submitted electronically from photographers. Stories were printed in 10-point Helvetica and captions were in 8-point bold Helvetica. For further information. contact adviser JoAnn Gage at (319) 895-8843.

Freshmen Cameron Ling and Cian Meier-Gast sit in the high school commons during orientation at the beginning
