

F.R.I.E.N.D.S

by senior Megan Schwenneker.

When you spend a crazy and chaotic 43 minutes a day with 14 other journalists who are writing and editing and revising and trying to meet hectic deadlines every week, you become close- whether you like it or not. Not only does our talented staff of journalists get along, but we actually enjoy working together. We've shared successes and awards, stress and frustration, but it has brought us all closer and made us **FRIENDS**.
