## COLOPHON

We would like to take this opportunity to thank the businesses who sponsored the yearbook. They are listed on pages 122-123. Thanks to the professional photographers who contributed sports team photos, including David Thackery of Thackery's Photo Images and Jeff Schmatt of Rubicon Photo. We appreciate the photos donated by many teachers, parents, and students, including Steve Brand, Rich Herrmann, Sue Deibner, and Margo Massey. We also used photos posted on Twitter.

Our Jostens representative was Kristy Stern. Our yearbook DVD was created by Jenna Brannaman on iMovie and reproduced by Spiral Productions. The video can be seen on YouTube at this link: <https://www.youtube.com/watch?v=vWgyHChLvJw>. The yearbook sold for \$55 per copy with a press run of 275 books.

The 2016 Centaur Vol. 11 is 128 full-color pages on 100# gloss enamel paper. The custom litho cover uses deco dot and soundwave grains as well as shine FX. The cover was designed by junior Bailey Priborsky.

The yearbook was created online at the Jostens plant in Visalia, Calif. Adobe Photoshop was used to edit photos taken with three Canon Digital Rebel Cameras. Halverson Photography provided the student portraits, and senior photos were submitted electronically from photographers. Stories were printed in 10-point AYT Foundation Roman and captions were in 8-point bold AYT Foundation Roman. Headlines were often AYT Josie or AYT Hudson. For further information, contact adviser JoAnn Gage at (319) 895-8843.
