YEAR OF 2015 | 2016

703 students. 180 days. Endless possibilities and infinite memories. Our year was sensational. We spent the year discovering what made us ***SUPER*** and **powerful**, whether it was on the field or on the stage. Sometimes we were our own worst **enemies**, yet other times we were each other's biggest ***HEROES***. We don't know what the future will hold, but we do know we write the next issue. Whatever our next **adventure** may be, we know it will be...

Back to **HERO** School

On Monday, August 24th, Hudson students began their first day of school, welcoming new teachers **jh math teacher Lacey McDonough** and **3rd grade teacher Jamie Benda**. The 2015-2016 year started 10 days later than last year due to a law passed by Governor Branstad prohibiting school starting prior to August 23rd.

First year teacher **Jamie Benda** works with **3rd grader Austyn Smith**. | **Freshman Hannah Wheeler** drives to high school for the first time with her school permit with **freshman Abi Fernau** riding along. | **6th grader Jake Yoder** explains fractions. | **1st grade teacher Brenda Krapfl** with her kids, **Karter (6th grade) & Klaire (8th grade)**, use a selfie stick to pose for their first day of school picture.

"This year is going to be super because it's the last chance I'll have to hang out with friends I've gotten to know over the years."
-senior **Olivia Jordan**
