"I've been bowling since I was about six. My dad got me interested in it and he coached me to get me to where I am now. It's a fun bonding experience when we go bowling together."

Emily Bergthold

"I've been bowling since I was little and it's always been a lot of fun to me. I think when you are interested in a sport, it's just like every other sport; you just want to keep playing."

Bowlers talk about costs of their gear

"A spare ball is mostly used for taking out single pins. It rolls straighter than a finger-tip ball which turns way more."

Garvin Paper

"In bowling, you have to have a certain pair of shoes because when you bowl you slide and if you don't have bowling shoes you will fall."

Brandon Loos

"I use a rosin bag for games because it helps me grip the ball better and so my hand isn't slippery."
