“Go Bold” the 2016 *Trojan Epic*, was created by 11 students in the yearbook lab course with assistance from adviser Ginny Ordman and contributions from 13 students in the third-hour Introduction to Journalism: Yearbook class. The 260-page book was produced on nine Intel iMac computers using InDesign CS 5.5 and Adobe Photoshop 3. Most sports photos were shot with Nikon or Canon cameras. Process colors used included Circus, Nectarine, Promise, Hush, Mood and Lake from the Neue palette, Inkberry from the Shocking palette and Lake from the Rainforest palette. Body copy was set in 10/11 Bodoni on most pages; captions were set in 8/10 Bodoni. The sans serif font used for scoreboards is Function. Display fonts were Rockingham and Egyptienne. The yearbook was printed on 80-pound gloss enamel paper, and signatures 2 and 6 have a UV coating to create a special effect. Endsheets were printed on Snow White 280 stock with process colors on both front and back. The cover is a full-color Custom litho designed by staff member Ella Gibson '18, whose design was selected from potential covers submitted by staff members in a contest. Approximately 1,275 copies were printed in Clarksville, Tenn. The \$75 price includes a 28-page spring supplement to be distributed at registration in August. The staff drew inspiration for its “Go Bold” theme at a Jostens Creativity Workshop in September in Bloomington, Minn.
