Now that you have started
paying atTENTion to the Scarlet
way and have reflected on the
year. You now know every
moment of the year from the
nervousness you felt asking
your date to homecoming to
the satisfaction you felt after
taking your last final has
helped mold and shape you.
The past year has been filled
with people and memories that
will last forever, as the year
comes to an end remember to
enjoy every moment, grasp
every opportunity and always
pay

atTENTion
to the Scarlets
