THE URBANER

A rarer style that is distinctively edgy is preferred by Spencer Meacham '16. He draws some of his style infuence from the musical artist Vic Mensa of Chicago. "I dress the way I do to represent who I am and to express myself."

THE MINIMALIST

A collaboration of warm and good-looking sums up the style of Antonio Clipperton '17. One might spot him in the halls wearing a vest or a cardigan, which he called one of his staples. "I like a more formal style. A lot of the time I will wear collared shirts or something that isn't like a plain T-shirt. I do not like to dress down."

THE ROLLER

Street clothes inspired by A$AP Rocky best defines the style of Grant Shreves '16. He said he dresses more for looks than comfort. Most of his clothes are purchased online, so he's unable to judge them closely. "If people are wondering about their own style, they should be trying to build off of other people's looks and make them their own."
